Faraday Discovery Fellowships: team members

Engagement opportunities

Post-doctoral researchers working on Faraday Discovery Fellowship projects will have access to a range of training and networking activities to support their career development.

TRAINING

- Creatively evaluating your engagement
- Grant writing
- Introduction to management
- Media skills for scientists
- Promoting yourself and the value of your research
- Scientific entrepreneurship
- Storytelling for researchers

NETWORKING

- Faraday Discovery Fellowship Induction event
- Biennial networking event for Faraday Discovery Fellows and their teams
- Regular regional networking meet-ups
